**FOR IMMEDIATE RELEASE**

---

**BOB EULAU JOINS SANMINA-SCI AS CHIEF FINANCIAL OFFICER**

**SAN JOSE, Calif. – September 14, 2009** – Sanmina-SCI Corporation (Nasdaq NM: SANM), a leading global Electronics Manufacturing Services (EMS) company, today announced that Bob Eulau has joined the Company as Executive Vice President and Chief Financial Officer.

Eulau brings over 20 years of financial and operational management experience to Sanmina-SCI, most recently as Executive Vice President, Chief Operating Officer and Chief Financial Officer of privately owned Alien Technology Corporation. Previously, he was Senior Vice President and Chief Financial Officer of publicly traded Rambus Inc. Prior to Rambus, Eulau served over 15 years with Hewlett Packard in various leadership roles, including Vice President and Chief Financial Officer of HP's Business Customer Organization, a \$30 billion commercial business and Vice President and Chief Financial Officer of HP's Computing Products, a \$20 billion server, personal computing, storage and software business.

"We are excited to have Bob join our management team," stated Jure Sola, Sanmina-SCI's Chairman and Chief Executive Officer. "Bob's wealth of experience and diverse background in high-end technology and his strong leadership and financial discipline will be invaluable to the strategic direction of the Company," concluded Sola.

"Sanmina-SCI has a strong position in the EMS industry and this is an exciting time to be a part of the Company's growth opportunities. I look forward to working with the entire leadership team to maximize the financial and operating performance of the company and to create stockholder value," said Mr. Eulau.

Mr. Eulau earned a BA in Mathematics from Pomona College in Claremont, California and an MBA in Finance and Accounting from the University of Chicago.

### **About Sanmina-SCI**

Sanmina-SCI Corporation is a leading electronics contract manufacturer serving the fastest-growing segments of the global Electronics Manufacturing Services (EMS) market.

Recognized as a technology leader, Sanmina-SCI provides end-to-end manufacturing solutions, delivering superior quality and support to OEMs primarily in the communications, defense and aerospace, industrial and medical instrumentation, multimedia, enterprise computing and storage, and automotive technology sectors. Sanmina-SCI has facilities strategically located in key regions throughout the world. More information regarding the company is available at <http://www.sanmina-sci.com>.

### **Sanmina-SCI Safe Harbor Statement**

The foregoing, including the discussion regarding the Company's future prospects, contains certain forward-looking statements that involve risks and uncertainties, including uncertainties associated with economic conditions in the electronics industry, particularly in the principal industry sectors served by the Company, changes in customer requirements and in the volume of sales principal customers, the ability of Sanmina-SCI to effectively assimilate acquired businesses and achieve the anticipated benefits of its acquisitions, and competition and technological change. The Company's actual results of operations may differ significantly from those contemplated by such forward-looking statements as a result of these and other factors, including factors set forth in our Company's fiscal year 2008 Annual Report on Form 10-K and fiscal 2009 quarterly reports on Form 10-Q filed with the Securities Exchange Commission.
